EATON'S TOWN MEETING 1991

The annual Town Meeting of Eaton, New Hampshire was called to order on March 12, 1991 at 11:00 AM by Moderator Paul D. Hennigan. Mr. Hennigan announced a quorum present; that the return of the Warrant shows that it has been properly served; read the "Call to Meeting", and stated that the polls were open for voting by ballot on Articles #1 and #2 of the Warrant. The remaining articles, #3 through #26 to be considered when the meeting resumes at 8:00 PM.

At 8:00 PM Moderator Paul D. Hennigan announced: "A quorum being present, the 1991 Annual Meeting of the Town of Eaton, Carroll County, the State of New Hampshire now resumes for consideration of Articles #3 through #26 of the Warrant as duly posted and published.

The first two articles had been voted on by official ballot from 11:00 AM - 6:00 PM. There were 105 votes cast with a checklist of 224.

Article #1 - To choose all necessary Town Officers for the year ensuing. The following were elected:

Selectman for three years	Joyce Blue
Moderator for one year	Paul D. Hennigna
Treasurer for two years	Carol L. Mayhofer
Trustee of Trust Funds for three years	Edith Dashnau
Highway Commissioner for one year	Elwyn R. Thurston
Auditor for 1 year	James C. Worcester

The following were elected on the School Warrant:

School Board for three years	Jane K. Gray
Moderator	Mark R. K. Bungeroth
Auditor	James C. Worcester
Treasurer	Carol L. Mayhofer
Clerk	Elizabeth C. Bungeroth

Article #2 - To see if the Town is in favor of adopting (3) three amendments to the Town of Eaton Zoning Ordinance of 1973.

1. "Are you in favor of amendment Number 1 to the Town of Eaton Zoning Ordinance, as recommended by the Planning Board as follows: Page 20, Article VII, Section B. **Delete** the following: "the size of." The section would then read: Section B: Permits: After the effective date of this ordinance, it shall be unlawful to change the nature or extent of the use of any structure or lot, erect or use any structure, sign or building or alter any building, or relocate any building in any district without first obtaining a permit from the Board of Selectmen."

Passed: 62 Yes; 40 No

2. Are you in favor of amendment Number 2 to the Town of Eaton Zoning ordinance as recommended by the Planning Board as follows: Page 21, Article VII, Section C. DELETE Section C and replace with the followin: C: Repair and Maintenance: No permit shall be required for the repair or maintenance where the purpose for which the building is to be used is not changed or where the existing exterior walls are not to be altered.

Passed: 85 Yes; 17 No

3. Are you in favor of amendment Number 3 to the Town of Eaton Zoning ordinance as recommended by the Planning Board as follows: Page 25, Article XII, DEFINITIONS. DELETE the definition for STRUC-TURE and replace with the following: STRUCTURE: Anything constructed or erected with a fixed location on or in the ground, including all flagpoles affixed into the ground or on another structure or attached to anything having a fixed location on or in the ground but shall not include a septic system, fence utility pole or boundary marker."

Passed: 70 Yes; 29 No

Selectman Richard Young then introduced New Selectman Joyce Blue and she joined the other Selectmen.

A resolution was offered by Donald Philbrick "to honor a man who has given nine years of his life in serving the Town as Selectman—Eugene Kleinmeier." There was a standing ovation.

The Moderator then asked for a moment of silent prayer for those who had passed away during the past year: Donald McBrien, Stephen Bidle, Helen Snow, Keith Henney, Allan Robotham and Flora Bean.

The minutes of the previous Town Meeting of 1990, are recorded in the published 1990 Annual Town Report of the Officers of the Town.

The Moderator then read his rules for conducting the meeting, and then continued with Article #3.

Article #3 - To raise such sums of money that may be necessary to defray town charges for the ensuing year and make appropriations of the same; including town officers salaries, town officers expenses, election and registration expenses, expenses of the Town Hall and other buildings, Social Security and withholding taxes, emergency services, insurance, civil defense, health department, vital statistics, waste disposal, town road maintenance (summer and winter, highway block grant, and general expenses), street lighting, town poor and old age assistance, recreation, cemeteries, interest, planning and zoning, legal expenses, State revenue sharing, capital reserve funds, general fund trusts, and unemployment compensation.

Alexander McKenzie moved, Betsi Bungeroth seconded, to accept the budget as printed on Page 13. Barbara McKenzie asked if the Memorial

Hospital was included in the budget or by petition. The answer by the Selectmen was that it was neither. Vote then called for adoption of the budget of \$251,945 as printed.

Accepted by show of hands, 58 to 0.

Article #4 - To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes, if necessary. Alex McKenzie moved, George Booth seconded. No discussion. Passed unanimously by show of hands, 56 to 0.

Article #5 - To see if the Town will authorize the Selectmen to administer and dispose of any real estate acquired by the Town through Tax Collector Deeds, reference RSA 80:42. Mary Gospodarek moved, Leona Hurley seconded. No discussion. Passed by show of hands, 54-0.

Article #6 - To see if the Town will authorize the Selectmen to apply for, accept, and expend such Federal, State, or other governmental unit or private source of funding which becomes available during the year, in accordance with RSA 31:95-b. Alice Linscott moved, Frank Cutrone seconded. Voice vote - ayes have it.

Article #7 - To see if the Town will authorize the Eaton Conservation Commission to retain the unexpected portion of its 1990 receipts, said funds to be placed in a special conservation fund, in accordance with RSA 36-A:5.

Alexander McKenzie moved, but noted that the word "unexpected" was meant to be unexpended", Barbara McKenzie seconded. Mr. McKenzie would like to see more detail in the report of the Conservation Commission on money spent and also to have the money from the blueberry field spelled out and accounted for. He also noted that there is considerable money in the Keith Henney fund for use of the Commission.

Vote called by voice. Passed unanimously.

The Moderator announced that he had been given a petition signed by three legal voters:

"Petition for secret ballot on Articles 8, 9, 10, 11, 12, 13, 14, 15, 16, 17. In accordance with New Hampshire Statute RSA 40:4a, the three undersigned voters, who are on the Eaton check list, hereby request that voting for each of the above listed articles be done by secret ballot. Signed Charlene Thurston, Peter J. Cutrone, Franlyn L. Cutrone." The Moderator stated that each article would be taken up individually, discussed, and then postponed for vote until all are heard; there will be one ballot with each article listed individually.

Article #8 - To see if the Town will vote to raise and appropriate the sum of \$550.00 in support of the Children & Youth Project of the Mt.

Washington Valley. Agreeable to a petition signed by Judith M. Goss and others. Alex McKenzie moved, Suzanne Russell seconded. Judy Goss explained there are eleven Eaton children enrolled. Frank Cutrone said anything to do with Social Services should not be added to a tax bill; every resident should pay, not just taxpayers. He proposed an amendment, seconded by Alex McKenzie "just to get it on the floor", as follows: "If the Town votes to support any or all of the above listed charitable articles on the warrant, then it is proposed that the sum total of the approved articles listed above be collected on a resident basis whereby each of Eaton's 363 residents pays an equal amount." Mary Gospodarek questioned how this could be done; Marc Bungeroth questioned the legality of this proposal; Suzanne Russell: 'higher tax payers have more money and should pay more'; James Brooks "sounds like a tax on children." Vote called on amendment. Defeated with three yes votes. Article 8 to be voted on by secret ballot.

Article #9 - To see if the Town will vote to raise and appropriate the sum of \$94.00 in support of Carroll County Against Domestic Violence and Rape. Agreeable to a petition signed by Mary E. Phillips and other. Alexander McKenzie moved, Barbara McKenzie seconded. Frank Cutrone again proposed the same amendment he had made for #8. Peter seconded. No discussion. Amendment defeated with three yes votes. Article #9 to be voted on by secret ballot.

Article #10 - To see if the Town will vote to raise and appropriate the sum of \$759.00 in support of the Gibson Center for Senior Services. Agreeable to a petition signed by James C. Worcester and others. Henry Fowler moved, Richard Brackett seconded. No amendment made. Article #10 to be voted on by secret ballot.

Article #11 - To see if the Town will vote to raise and appropriate the sum of \$450.00 to help defray the operating expenses of the services and programs carried out by the Mt. Washington Chapter of the American Red Cross. Agreeable to a petition signed by Elizabeth C. Bungeroth and others. Alexander McKenzie moved, Barbara McKenzie seconded. No discussion. Article #11 to be voted on by secret ballot.

Article #12 - To see if the Town will vote to raise and appropriate the sum of \$164.50 for the Early Intervention Program (birth to 3 years) of Children Unlimited, Inc., said sum being equal to \$.50 per person in the Town of Eaton. Agreeable to a petition signed by Amy Bridgham and others. James Brooks moved, Alex McKenzie seconded. No discussion. Article #12 to be voted on by secret ballot.

Article #13 - To see if the Town will vote to raise and appropriate the sum of \$450.00 to assist the Family Health Center. Agreeable to a peti-

tion signed by Elizabeth C. Bungeroth and others. Alexander McKenzie moved, Barbara McKenzie seconded. Article #13 to be voted on by secret ballot.

Article #14 - To see if the Town will vote to raise and appropriate the sum of \$380.00 to assist Carroll County Mental Health Services. Agreeable to a petition signed by Judith Condoulis and others. Henry Fowler moved, Barbara McKenzie seconded. Article #14 to be voted on by secret ballot.

Article #15 - To see if the Town will vote to raise and appropriate the sum of \$150.00 for support of the Community Action Outreach Program. Also to see if the Town will vote to raise and appropriate the sum of \$200 for the support of the Big Brother Big Sister Organization administered also by the Tri-County Action Program. Agreeable to a petition signed by Burton Day and others. Alex McKenzie moved, Leona Hurley seconded. Mr. McKenzie stated he felt it was not feasible to vote on two amounts in one article - should this not be added together to vote on one amount? Jacqueline Sparks announced that \$1300 had been spent in Eaton this year—weatherization, emergency food, fuel, etc. Marc Bungeroth suggested that since Big Brother Big Sister Organization had not been on our warrant before and since no one was present to tell us about it, he felt that part should be deleted. Barbara McKenzie moved to amend the article to “see if the Town will vote to raise and appropriate the sum of \$150 for support of the Community Action Outreach Program.” Seconded by Donald Philbrick. Amendment carried, Article #15 to be voted on by secret ballot.

Article #16 - To see if the Town will vote to raise and appropriate the sum of \$444.00 for the Visiting Nurse Services of Northern Carroll County, Inc., said sum being equal to \$1.35 per person in the Town of Eaton. Agreeable to a petition signed by Judith L. Guerringue and others. Alice Linscott moved. Suzanne Russell seconded. Barbara pointed out that is \$123 less than last year and several people in Town have been aided by this program. Article #16 to be voted on by secret ballot.

Article #17 - To see if the Town will vote to raise and appropriate the sum of \$500.00 in support of the summer water safety program. Suzanne moved, Alex McKenzie seconded. This year 50 children were enrolled, about 40 were Eaton Children. Marc Bungeroth suggested this go in the budget as a regular item. Article #17 to be voted by secret ballot.

Article #18 - To see if the Town will grant/permit a tax abatement/tax credit annually for real estate taxes of up to \$2,000 to that property owner/s who sends his/her/their dependent child to a private school thereby relieving the School District and thus the taxpayers of the Town from the cost of that child's education. Agreeable to a petition signed by JoAnn L.

Kelly and others. James Brooks moved, Holly Fortin seconded. JoAnn Kelly told about the Epsom case and wanted to find out what opinion the local people had on this subject. The Selectmen said that under RSA 76:16, they have the power, for good cause may abate any tax assessed by them or by their predecessors. Mary Gospodarek: Some children aren't adaptable to public school. James Brooks: Different funding of schools is necessary but this is not the answer. Frank Cutrone: we should support the public schools. Carol Mayhofer: a great amount of waste in our public schools and that should be addressed first. James Brooks (in answer to a question by Holly Fortin): Because of our Area Agreement, we would have to get permission from Conway to withdraw Eaton children from Conway schools. JoAnn Kelly: this money would not be coming from school- would come from the Selectmen, therefore would not have to have permission from Conway. Donald Philbrick feels this would be very discriminatory. A great many people felt there were too many variables in this article—too many unanswered questions. Article #18 defeated unanimously by voice vote.

Article #19 - To see if the Town will authorize the establishment of a capital reserve fund (pursuant to RSA Chapter 35) for the future revaluation of the Town and to raise and appropriate the sum of \$4000 towards this purpose, and appoint the Selectmen as agents to administer the fund. Mr. McKenzie moved, Alice Linscott seconded. It was stated that the Town had been evaluated in 1984 and would be done again in 1994; thus we should be putting some aside each year or we will get hit with a huge amount in 1994. Passed by voice vote unanimously.

Article #20 - To see if the Town will vote to raise and appropriate the sum of \$10,000 for culvert upgrade on Stewart Road and repair of flood damage on Foss Mountain Road. Alex McKenzie moved seconded by Leona Hurley. Passed unanimously by voice vote.

Article #21 - To see if the Town will vote to raise and appropriate the sum of \$1,200 to perambulate Eaton—Conway Town lines. James Brooks moved, Mary Gospodarek seconded. Selectman: This must be done every seven years. Conway—Eaton line is the longest and hardest in town. Passed by voice vote unanimously.

Article #22 - To see if the Town will vote to raise and appropriate the gross sum of \$4,000 for replacement of the Municipal Garage Door and authorize the Selectmen to apply for, accept and expend a matching grant from the Governor's Energy Office in the amount up to \$2,000. This appropriation is contingent upon the receipt of the matching State grant. Fred Goss moved, Larry Ross seconded. Passed unanimously by voice vote.

Article #23 - To see if the Town will vote to raise and appropriate the

sum of \$1500, said sum to be turned over to the Town of Conway to be used for the program of the Conway Recreation Department. Moved by Suzanne Russell, seconded by James Brooks. It was stated that almost every child in Eaton participates in this program. Passed by voice vote unanimously.

Article #24 - To see if the Town will vote to raise and appropriate the sum of \$1150 for the purpose of numbering the streets. Alexander McKenzie, Alice Linscott seconded. George Booth explained that this was primarily for emergency purposes - to pinpoint an exact location for calls to 911. The State of Maine has already done this; Conway is working on it and there is a similar article on their warrant. There followed much discussion about street names, placement of these signs, size, exact location, etc. Voice vote called, passed unanimously.

Article #25 - To see if the Town will vote to change the method of compensation for the Deputy Town Clerk-Tax Collector from 0.5% of the total property tax receipts to an hourly rate as determined by the Selectmen. Alex McKenzie moved, Alice Linscott seconded. Selectman Young explained the percentage system just didn't work—too much money for time spent. Passed unanimously by voice vote.

Article #26 - To act on any other business that may legally come before this meeting. Richard Brackett moved, Alex McKenzie seconded. Donald Philbrick spoke for the Selectmen and the people of Eaton as follows: In 1989, \$2500 was appropriated to match a like amount to be raised by the Ladies' Circle for the purpose of fixing up the basement of the Town Hall. The work has been done—new ceiling, new floor, entry way and even new chairs for upstairs—all paid for by the Circle's money, and now they have turned back to the Town the \$2500 voted." The Townspeople applauded as thanks to the Circle.

A standing ovation for Eugene Kleinmeier, who has served nine years as Selectman.

James Brooks moved, Betsi Bungeroth seconded, that the meeting be adjourned. Passed by voice unanimously. Time: 10:37 PM.

Counting of ballots resumed with the following results:

Article # 8- Children & Youth \$550	Yes 50	No 09
Article # 9- Carroll County Against Domestic Violence & Rape \$94	47	12
Article #10- Gibson Center for Senior Services \$759	51	08

REPORT OF THE TOWN OF EATON PLANNING BOARD

The year was spent refining some of the existing land use regulations, handling several subdivision and boundary line adjustments and beginning the five year review of the Master Plan. No substantial development plans came before the Board this year. On the Master Plan, the general consensus was that the data needed to be updated but no major overhaul was necessary. People still want the Town to stay as it is. A questionnaire for residents is being considered.

Subdivision and boundary line adjustments were approved as follows:

William Bufalino et al on Stewart Rd.

John R. Edge on Ridge Rd.

Edmund and Marie Morgan on Potter Rd.

Dorothy Timberlake on Rte. 153

There have been several changes in membership. The Board's longest serving member, Bob Donahue, is taking a break after many years of faithful service. Judy Condoulis (Fowler) also resigned. Tom Costello has moved from the area. Joyce Blue replaced Donald Philbrick as the Selectmen's representative and Paul Savchich has been appointed a new member.

During the course of the year, several members have attended workshops and seminars organized by the NH Municipal Association.

All the land use regulations have been put on the computer and now generated in a standard format. Future changes in the regulations should be easier to accommodate.

One visitor to the Board was Mike Shores of Cartographic Associates. He discussed the current limitations of the Town's tax maps. He also reviewed the merits of geographical information systems (GIS) and their application to the Town. However, it is still a very expensive procedure to do properly.

Several Zoning Amendments recommended by the Planning Board were approved by the voters last March. These included changes in definitions and building permit requirements and were in response to the difficulties encountered by the Selectmen in monitoring construction and renovation. Now a building permit is required for all building except routine repair and maintenance.

The Capital Improvements Committee, under the chairmanship of Joyce Blue, has updated the Capital Improvements Program.

A longstanding legal appeal against the Town and the Board brought by Larry and Jane Ross, was settled. The court upheld the Town's decision to limit the length of dead end streets to 1000'.

Regular meetings are held on the third Wednesday of each month at 6:30 p.m. at the Evans Memorial Building.

Respectfully submitted,

EATON CONSERVATION COMMISSION

1991

The Commission spent most of this years activity processing for review the many Dredge and Fill applications it received. A Dredge and Fill permit is required by law whenever water is directly or indirectly involved; seasonal or otherwise. Once received, the permits are reviewed by the Commission, Selectman, Planning Board, and The New Hampshire Wetlands board in Concord. The Commission suggests that to expedite matters you file as soon as possible as it takes several weeks to pass through Concord. Failure to comply with Dredge and Fill laws can result in fines of up to two thousand dollars (\$2000.00) which are administered by the New Hampshire Wetlands Board.

A letter from the Selectmen was received by the Commission requesting that bear hunting with dogs be prohibited on town property. The Commission, being in agreement, took steps to post town lands accordingly.

There were several discussions within the Commission regarding the cutting of timber on the Creative Concepts land. After walking the land, the decision to cut and thin this tract was shelved until next year. However, timber was cut and wood chips removed from tract #3, resulting in four thousand sixty-seven dollars and forty-one cents (\$4,067.41) in revenue.

The contract with Dave Douglas for maple syrup tapping on the Creative Concepts land garnered one hundred four dollars (\$104.00).

Hurricane "Bob" did some minimal damage to town lands and the Nella B. Henney Trail. Phil Kelly cleared most of the trail but reported that more clearing and remarking of the trail will be needed this spring.

The Commission expresses its sorrow in the loss of Honorary Member, Allen C. Robotham. His interest and contributions to the work of the Commission was greatly appreciated and he will be missed.

A special note of thanks is extended to Jonathan Simonds for his invaluable expertise on a variety of subjects. Jonathan is resigning after years of unselfish service to the Commission and he will be difficult to replace.

Anyone interested in serving on the Commission should contact the Selectmen at Town Hall or Commission Chairman, Philip Kelly.

As provided under the bylaws, regular meetings of the Eaton Conservation Commission are held at 7:30 P.M. local time on the second Monday of each month April thru November (except when the Monday falls on a holiday, then the meeting will be held on the following Monday). Meetings are held at the Evans Memorial Building (Eaton Town Hall).

Special meetings are given public notice. All meetings are open by law to the public and all are invited to attend.

Blueberries were harvested on Foss Mt. with the proceeds going to the town.

The names of the members responsible for the actions reported above are listed below. Their terms expire in August of the year indicated, except as noted.

FIRE WARDEN'S REPORT

1991 was a very busy and productive year for the Eaton Forestry Department.

Eaton Wardens worked on 2 fires in Eaton consuming over 8 acres.

A one acre fire on Ridge Road was quickly extinguished by Wardens before reaching a residence. Conway was not called for this fire, thus saving Eaton over \$1000.

The second fire on Stewart Road burned over 7 acres before being stopped by Eaton Wardens and firefighters from 3 surrounding towns. Although the bill for this fire was high, it was substantially lower than it would have been because Eaton Wardens completed the 50 manhour mop-up rather than Conway firefighters.

Shortly after the Stewart Road fire, Eaton Wardens were called again to assist the Town of Conway at a 5 acre fire off Dolloff Hill Road in Conway. This fire was at no expense to the Town of Eaton, and, in fact, the Town of Conway was charged for our services.

During the spring, a trailer was constructed from items donated by Richard Heath, John Goodwin, Larry Ross, and Frechette Tire. Our new trailer makes it quick and easy to bring our tools to the scene of a fire.

Forest fire fighting equipment such as a portable pump, hand tools, and protective clothing were purchased with remaining funds from donations originally made to establish the Eaton Fire Department in 1986. We also received a Federal Grant of \$335 to be applied towards the purchase of this equipment. No tax dollars were spent for these purposes.

During the year, 16 men and women of Eaton donated over 200 hours for training. Howard Hatch and Rick Young gave a training session on forestry tools, Calvin Hitchcock gave a training session on fire behavior, and Dave Brackett gave a 9 hour State of NH forest fire fighting course.

In August, 8 Eaton Wardens participated in the Madison Fire Muster and brought home a third place trophy.

In 1991, the Eaton Forestry Department received fantastic cooperation and guidance from the Eaton Selectmen and we wish to thank them for all their help.

In 1992, we plan to continue training with the White Mountain National Forest Service and Conway Fire Department, develop better communication between the Eaton Deputies, and implement a fund-raising program to pay for all purchases.

NORTH COUNTRY COUNCIL, INC. ANNUAL REPORT

North Country Council is the Regional Planning Commission for 51 towns in northern New Hampshire. It was established almost 20 years ago by the legislature to respond to communities' needs for local and regional planning and development programs. As a membership organization, the Council is supported by local community dues which are used to match state and federal funding sources.

Assistance available to member towns includes municipal planning, regional planning, transportation planning, business and industrial planning/development, landscape architecture, solid waste planning, resource management, GIS mapping and public education. The Council provides this professional assistance to Planning Boards, Boards of Selectmen, Zoning Boards of Adjustment, Conservation Commissions, Solid Waste Districts, Local Development Corporations, Non-Profit Community Organizations, Chambers of Commerce, Educational Institutions and Social Service Organizations and Agencies in our **member** towns.

Throughout 1991 North Country Council continued its commitment to local and regional planning assistance. The year also saw the local and regional planning assistance. The year also saw the Council rededicate its economic development program to address the worsening North Country economy, its solid waste program to aggressively reduce the volume of solid waste generated in the region, and its land use program to address the problems confronting the Northern Forest.

In the ensuing year the Council will continue its present course and work program with an intense commitment to local technical assistance, development of local leadership and ability, and the provision of membership services to support community and regional needs.

Persons interested in regional issues as discussed in this report are urged to contact their selectmen for appointment as Council representatives or committee members.

SELECTMENS' REPORT

The Town has renewed the agreement with the Conway Fire District over the provision of emergency services. The agreement has worked well this last year and the rates remain the same; \$500 for the first hour for fire regardless of the number of personnel or amount of equipment involved and \$250 for each subsequent hour; for rescue services the cost will remain at \$700 for the first hour and \$350 for each additional hours.

The street numbering system by George Booth to facilitate fire and emergency rescue services locating specific properties in Town, is now in place.

The Lower Mt. Washington Valley Solid Waste District has continued to be active. The new landfill in Conway was constructed in 1991 and went into operation at the beginning of 1992. Unfortunately, reduced operational costs have been more than offset by loan payments for the new landfill. A new brochure explaining and updating the recycling program has been distributed to residents. The thrift store at the landfill has been very successful. Discussions are being held about the possibility of Fryeburg, Stowe and Chatham joining the Solid Waste District. Plans for closure of the existing landfill are progressing.

Don Hall, the Civil Defense Director, worked with State officials to produce the Town's Emergency Management Plan. It is a very large volume for such a small Town.

The Town applied for and received flood disaster funds for damage done to the roads in 1990. They also applied for hazard mitigation funds. A total of \$27,180 was received in 1991. The mitigation funds, which are funds designed to provide preventive measures, are primarily for work on Stewart Rd. and Towle Hill Rd. Much of the work involves the installation of new and larger culverts. Additional funds have been applied for and have been received in 1992.

It was a good year for blueberries and the lease of the Town lands generated over \$3000 income. There was also some logging on Town lands, monitored by the Conservation Commission, that generated additional revenue for the Town.

Gene and Anne Kleinmeier donated a framed copy of the Town Seal that now hangs in Town Hall.

The Eaton Community Circle has renovated the basement of Town Hall. They installed an entryway, and a new ceiling and floor. The Selectmen would also like to see a proper bulletin board installed outside Town Hall.

The summer swim program was again successful. Suzanne Raiche has done an excellent job running this program for several years.

As to be expected with the present economy, few building permits were issued this year and this gave the Selectmen time to review and revise some of the procedural issues involved in issuing permits and code enforcement. With the change in the Zoning Ordinance approved by the

voters in March, building permits are now required for all new construction and remodeling except routine repair and maintenance.

Hi tech continues to infiltrate Town Hall. Pat and Ginger Blymyer and Bette Roden generously donated a fax machine. The Selectmen also installed an answering machine.

CAPITAL IMPROVEMENTS PROGRAM

The Capital Improvements Program (CIP) Committee met in November to update the recommendations initially proposed in December 1987. The CIP is all of the following: a plan, a budget, a schedule; a growth management tool and a statutory requirement for communities that intend to control timing of development through land use regulation. It is a six year plan of proposed spending for capital items based on projections of community needs, fiscal capability and demand for services. The CIP Committee is a sub-committee of the Planning Board composed of representatives of all other town committees and interested citizens. Members of the Committee were Joyce Blue (Chairman), Nubie Duncan, George Booth, Elwyn Thurston, Cindy Goslee, Doug Blue, and Rob Walker.

A new series of recommendations was approved and is summarized below. Work on the first phase of Stewart Rd. should be completed this spring and it has been recommended that work on Bean Road should begin this summer. Bridge repairs on Potter Rd. and Towle Hill Rd. are also proposed to begin this year. The recommendations have been accepted by the Planning Board and forwarded to the Board of Selectmen. The recommendations are subject to annual review.

WARRANT FOR ANNUAL MEETING OF THE EATON SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Eaton, County of Carroll, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on Tuesday, the 10th day of March, 1992, to vote for the following District Officers. Polls will be open for this purpose at 11:00 a.m., and will not close before 6:00 p.m.

- ARTICLE 1.** To elect a Moderator for the ensuing year.
- ARTICLE 2.** To elect a Clerk for the ensuing year.
- ARTICLE 3.** To elect a member of the School Board for the ensuing three years.
- ARTICLE 4.** To elect a Treasurer for the ensuing year.
- ARTICLE 5.** To elect an Auditor for the ensuing year.

YOU ARE ALSO NOTIFIED TO MEET AT THE SAME PLACE AT 4:00 O'CLOCK IN THE AFTERNOON ON THE SAME DAY TO ACT UPON THE FOLLOWING ARTICLES.

ARTICLE 6. To see if the District will vote to authorize the Eaton School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 7. To see if the School District will vote to raise and appropriate the sum of \$4,000.00 to be placed in the Capital Reserve Fund (School Bus), established at the 1975 school district meeting, to be held in the custody of the Trustees of Trust Funds for the Town of Eaton.

ARTICLE 8. To see if the School District will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Reserve Fund (Special Education), established at the 1987 school district meeting, to be held in the custody of the Trustees of Trust Funds for the Town of Eaton.

ARTICLE 9. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

ARTICLE 10. To transact any other business that may legally come before this meeting.

Given under our hands, this 3rd day of February, 1992.

EATON SCHOOL DISTRICT MEETING

March 12, 1991

The annual meeting of the Eaton School District was called to order at 4:00 p.m. by School Moderator Marc Bungeroth.

ARTICLES 1-5 were voted by ballot. The following were elected:

1. Moderator: Marc R. K. Bungeroth
2. Clerk: Elizabeth C. Bungeroth
3. School Board Member: Jane K. Gray
4. Treasurer: Carol Mayhofer
5. Auditor: James Worcester

ARTICLE 6. Barbara MacKenzie moved to authorize the Eaton School Board to apply for, accept, and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b. Alexander MacKenzie seconded the motion. The motion was carried unanimously.

ARTICLE 7. Barbara McKenzie moved to raise and appropriate the sum of \$4,000.00, to be placed in the Capital Reserve Fund (School Bus), established at the 1975 school district meeting, to be held in the custody of the Trustees of Trust Funds for the Town of Eaton. Carol Mayhofer seconded the motion. The motion carried unanimously.

ARTICLE 8. Alexander McKenzie moved to raise and appropriate the sum of \$10,000.00 to be placed in the Reserve Fund (Special Education), established at the 1987 school district meeting, to be held in the custody of the Trustees of Trust Funds for the Town of Eaton. Barbara McKenzie seconded the motion. The motion was carried unanimously.

ARTICLE 9. Barbara McKenzie moved to raise and appropriate the sum of \$396,774 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District. Alexander MacKenzie seconded the motion. Carol Mayhofer asked why there was no insurance for the bus driver this year. It was explained that the bus driver had personal health insurance. She also questioned why the general fixed assets group account is not audited. Dr. Jutras will refer the question to Erik Crisman, the Business Manager. The motion carried unanimously.

There were some informational questions asked of Dr. Jutras. JoAnn Kelly also clarified the AREA Agreement and the contract Eaton has with the Conway School District.

Dr. Jutras asked that we thank JoAnn Kelly for her hard work on the Eaton School Board. Betsy Bungeroth moved that the meeting be adjourned. Alexander MacKenzie seconded the motion. The meeting was adjourned at 4:25 p.m.

Respectfully submitted,
Elizabeth C. Bungeroth
School District Clerk

SUPERINTENDENT'S REPORT

by Richard B. Mezquita

As your Interim Superintendent for the past eight months, it has been my intent to foster and promote three basic goals: restore the image of SAU #9 to a credible level; provide individual districts with sound, consistent, constructive leadership, encompassing educational growth and development, balanced with productive human interrelationships; and facilitate preparation for the future.

In this endeavor, I have stressed the importance of becoming involved, being an active participant, and demonstrating enthusiasm and devotion toward a worthy cause. I have attempted to foster awareness that each individual is unique by encouraging opportunities for each child appropriate to his or her abilities and interests.

It is paramount that we promote an "I will - I can" attitude among our children, so that they may continually move on to greater achievement. Motivation is essential to achievement, and as educators, we must strive to energize our students. Motivation promotes success, and motivated students learn.

However, this type of effort becomes meaningless if we do not address the issues squarely and in a forthright manner that have an impact on our local schools. It is imperative that our schools define what students should be expected to learn while in school. Our schools are asked and expected to teach everything from basic skills to high technology. State mandated subjects, special interests, and the latest educational fads are all vying for accommodation in our schools.

We need to encourage and participate in open and honest dialogue within our communities to harness support for our schools. Public awareness and involvement will improve our schools. We need to promote greater cooperation among ourselves and do away with the territorial disputes. It's time to take personal responsibility for what one does. In short, this means schools taking responsibility for their employees, teachers and others taking responsibility for their programs, parents taking responsibility for their children, and students taking responsibility for learning. It's not easy, but it is necessary.

We need to return to the sense of community where cooperation, consensus, and collaboration take place. We need to reexamine how we are delivering our educational programs; i.e. the school day, length of year, and what we are testing. It is our responsibility as teachers, administrators, and citizens to seize the opportunity to make something significant happen in our school system and for our students. Through empowerment and fundamental change, "that something significant" will take place.

As we move into the 1990's, we will be well served if we embrace the following thought: "There is nothing more difficult to take in hand, more perilous to conduct, or more uncertain in its success than to take the lead in the introduction of new order of things."

PINE TREE SCHOOL PRINCIPAL'S REPORT

In these stressful times, it is especially gratifying to report on the successful resolution of a situation we have all long desired - the completion and opening of our fine new school. We are very proud of this significant addition to our community.

The new school is truly a great place for learning. Many community members toured the building during our dedication and open house in the fall. The new school is fully utilized by the town, providing space for many events and activities that were not possible before.

Stability is most important in our educational programming. Despite the difficulties and confusion of merging three student bodies and three teaching staffs into a single new school environment, we have had an extremely smooth transition. None of this would have been accomplished without the cooperation of parents, students, staff and the community.

Cooperation and support have paved the way for the continued success and growth of our students. We are fortunate to have been awarded grants with outside funds that enable us to provide excellent programming.

As adults, we are aware of the difficulties and challenges of these times. Children especially, feel the stress of the outside world. We are most fortunate to have our D.A.R.E. Program (Drug Abuse Resistance Education) return through the cooperation of the Conway Police Department. The curriculum focuses on self-concept improvement, decision making techniques, and improving positive identification with police officers. Our school guidance counselor works with our DARE Officer to provide on-going support for students in crisis. We are providing a full-time counseling program this year through the support of a grant.

Our professional staff members have continued their work with Dr. Donald Graves from the University of New Hampshire, bringing the writing process into the classroom to the benefit of all of our students. Teachers are developing a new Math curriculum to be piloted next year.

Through an enrichment grant we were able to develop an Ocean Week Curriculum which provided our students with an awareness and understanding of the ocean. This year we have been awarded a grant through the Pequawket Foundation to work with Tin Mountain to develop a mountain curriculum which will alternate with Pine Tree's successful Ocean Week program. The goal of Mountain Week is to help children and teachers develop an understanding, appreciation, and respect for our mountains and some of the environmental issues facing this area.

Many of our programs are dependent upon our wonderful volunteers. Our Literacy Partnership Grant for parents, children and teachers in the primary grades has expanded to include math. Each week volunteers assist students in choosing books to bring home to be shared with parents. Volunteers are essential in both our library and classrooms.

With the opening of our new facility, we have new programs that enrich and enhance our regular programming. Volunteers have worked with students through Odyssey of the Mind, providing enrichment for students with creative talents. The Pine Tree Players will present a play this year in our own building! Our new student council has been very active. Peer leadership groups have been working on action plans.

The PTA has monthly programs for parents. Continued fundraising has helped the school in many ways, including donations to Mountain Week, books for the library, and assistance with field trips. We are very pleased with the high level of parental support that has developed so quickly in our new school.

The opening of doors of the new Pine Tree School in September marked the fulfillment of an accomplishment for which many had labored long and hard. We at Pine Tree extend an open invitation to all members of the community to visit our school. By working together we can ensure the continued growth and success of our students.

EATON SCHOOL BOARD REPORT

by James A. Brooks, Chairman

The 1990-1991 year has seen the departure of Freedom, Madison, and Tamworth to form their own SAU. The downsizing of SAU #9 has had a positive effect at the board level with a smaller, more manageable board. We have managed to address several important issues and continue to promote education as our final product.

This year the SAU formed a search committee consisting of board chairpersons, educators, administrators, and community members to review candidates for the superintendent's position. The final three candidates were recommended to the full SAU Board, and Mr. Harry Benson of Palm Beach Country, Florida, was selected. Mr. Richard Mezquita performed the duties of Superintendent in the interim and opened new lines of communication, attending many meetings and moved the SAU forward. His professional performance was excellent and well done.

The school districts are concerned about the possible rise in cost of retirement contribution paid by school districts. This increase would fund greater benefits for teachers and municipal workers by lowering the number of years to retirement and paying full benefits. The fund is healthy, and the SAU opposes an increase in cost.

The AREA Plan Review Committee sent a letter to the Conway School Board informing them that they were in violation of the AREA Agreement by not providing department heads at Kennett High School. A letter from the Eaton School Board preceded this letter. At this writing, Conway has taken corrective action by including curriculum coordinators in their budget to perform this vital function.

The School Board is an integral part of the education process, and we need greater support from the town. We are having difficulty finding candidates to serve on the Board and other district offices. Some positions do require a great deal of involvement, but the rewards are great. Please support your school district and run for office.

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School
School Administrative Unit Board
School Administrative Unit. No. 9
Conway, New Hampshire

We have audited the accompanying general purpose financial statements of the School Administrative Unit No. 9 and the individual fund financial statements of the School Administrative Unit as of and for the year ended June 30, 1991, as listed in the table of contents. These financial statements are the responsibility of the School Administrative Unit's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described on Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the School Administrative Unit No. 9 at June 30, 1991, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School Administrative Unit at June 30, 1991, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

IF YOU HAVE A FIRE ... The Town of Eaton pays for all fire and rescue calls made by the Conway Fire Department out of tax monies; individuals pay nothing. You can save the Town a considerable amount of tax money by requesting your agent to include in your insurance policy — at nominal cost — a “Recovery Clause” which will pass on to the insurance company at least some of the cost of response by the Conway Fire Department. Contact the Selectmen or your agent for details.
